2. **A description of the proposed broadband project plan.**

This project would provide broadband service at 4 Mbps download and 1 Mbps upload to approximately 40 homes in the Hitch-N-Rail trailer park of Lexington. The area is in the Lexington exchange.

3. **A description of which areas are "unserved" or "underserved."**

Based on the end-of-year 2011 data from the National Telecommunications and Information Administration, the proposed project area encompasses some areas that are currently unserved and some areas that are currently served by broadband service at varying speeds.

This project will provide broadband service at speeds of 4 Mbps download and 1 Mbps upload to all of Census Blocks 2104, 2103, 2102, and 2099, which currently have broadband service available, but at speeds less than 3 Mbps download.

4. **An electronic map.**

Please see Attachment A. This attachment is confidential.

5. **An estimate of the number of potential new broadband subscribers.**

This project will provide broadband service to approximately 40 living units which currently have access to broadband, but at speeds less than 3 Mbps download.

6. A schedule for broadband deployment.

CenturyLink QC intends to complete the buildout and deployment of broadband within 24 months of receiving NUSF-77 funding approval. Within 6 months of approval of the application, CenturyLink will complete the planning and engineering for this project. Within 6 months of the completion of the planning and engineering, CenturyLink will complete the placement of the cable needed for this project. Within 6 months of the cable placement, the equipment will be placed. Finally, within 6 months of the equipment placement, CenturyLink will test the newly placed facilities and turn up service.

7. A proposed budget.

Please see Attachment B for the proposed budget. This attachment is confidential.

8. Proposed retail pricing.

The retail pricing for the proposed project area will be the same as the retail pricing for broadband services in CenturyLink QC's service territory in Nebraska. The pricing will vary depending on the speed the subscriber chooses. The monthly recurring price for CenturyLink QC's broadband service is as follows:

Description	Up to 256 Kbps Download/256 Kbps Upload	Up to 1.5 Mbps download/896 Kbps Upload	Up to 7 Mbps download/896 Kbps Upload
CenturyLink High Speed Internet with Email service	$31.99	$44.99	$54.99
CenturyLink High Speed Internet without Email service	$24.99	$37.99	$47.99
CenturyLink High Speed Internet without internet access or ISP features	$15.00	$28.00	$38.00
Pure Broadband with Email Service	$64.99	$69.99	$74.99
Pure Broadband without Email service	$42.99	$52.99	$57.99
Pure Broadband without Internet Access or ISP features	$33.00	$43.00	$48.00

CenturyLink High Speed Internet service requires the customer to also subscribe to voice service. Pure broadband does not require voice service.

If the customer chooses to lease a modem from CenturyLink QC, the monthly recurring cost would be $8.00 per month.

A number of nonrecurring charges may apply to the customer:

Activation (broadband only)	$19.95
Standard Installation (1 computer)	$49.95
Standard Installation (2-5 computers)	$99.95

CenturyLink QC reserves the right to adjust the retail pricing for broadband services.

9. The applicant's commitment to offer broadband services within the project service area for a minimum of five years.

CenturyLink QC commits that it will offer broadband service to the customers in the Hitch-N-Rail trailer park of Lexington for a minimum of 5 years.

10. The applicant's commitment to provide broadband data to the Commission.

CenturyLink QC commits that it will provide broadband data to the Commission and its vendors for the duration of the State Broadband Data and Development program for the Hitch-N-Rail trailer park in Lexington.

11. The applicant's financial qualifications.

CenturyLink QC files an Annual Report Form M with the Nebraska Commission. This report details CenturyLink QC's financial qualifications.

12. If no certificate of public convenience and necessity, a demonstration of the applicant's financial, technical, and managerial competence.

Not applicable.

13. The applicant's financial match.

The proposed budget for this project was provided in Item #7 above. The total estimated cost of this project is $75,024. CenturyLink QC will fund 25% of this project, or approximately $18,756.
