## **2.0 INTERPRETATION AND CONSTRUCTION**

All references to Sections, Exhibits and Schedules shall be deemed to be references to Sections of, and Exhibits and Schedules to, this Agreement unless the context shall otherwise require. The headings of the Sections and the terms are inserted for convenience of reference only and are not intended to be a part of or to affect the meaning of this Agreement. Unless the context shall otherwise require, any reference to any agreement, other instrument or other third party offering, guide or practice, statute, regulation, rule or tariff is for convenience of reference only and is not intended to be a part of or to affect the meaning of a rule or tariff as amended and supplemented from time-to-time (and, in the case of a statute, regulation, rule or tariff, to any successor provision).

## **3.0 SCOPE**

- 3.1. This Agreement is intended, *inter alia*, to describe and enable specific Interconnection and Reciprocal Compensation arrangements between the Parties. This Agreement does not obligate either Party to provide arrangements not specifically provided for herein.
- 3.2. This Agreement sets forth the terms, conditions, and rates under which the Parties agree to interconnect the CMRS network of BLAZE and the LEC network of Cambridge

Interconnection and Reciprocal Compensation Agreement between  
Cambridge Telephone Company and BLAZE Wireless

for purposes of exchanging traffic, provided that the service provided by BLAZE to its customer is CMRS.

3.3. BLAZE represents that it is a CMRS provider of telecommunications services to subscribers in Nebraska. BLAZE's NPA/NXXs are listed in Telcordia's Local Exchange Routing Guide ("LERG"), and this Agreement shall apply to all Operating Company Numbers ("OCN") assigned to BLAZE.

3.4. This Agreement is limited to Cambridge end user customers' traffic for which Cambridge has tariff authority to carry. Cambridge's NPA/NXXs are listed in the LERG under OCN 1526, in the state of Nebraska. This Agreement does not cover BLAZE paging service traffic.

3.5. The traffic that is exchanged between the Parties through an Interexchange Carrier, on a toll basis, is not Local Traffic and is not subject to this Agreement, but rather is subject to Section 251(b)(3) and 251(g) of the Act.

#### **4.0 SERVICE AGREEMENT**

This Agreement provides for the following interconnection and arrangements between the networks of Cambridge and BLAZE. Routing of traffic shall be as described in this section, except that, alternatives may be employed in the event of emergency or temporary equipment failure.

##### **4.1. Indirect traffic to Cambridge**

To the extent that BLAZE has entered into contractual arrangements with tandem providers for delivery of BLAZE traffic to Cambridge for termination to Cambridge's customers, Cambridge will accept such traffic subject to the compensation arrangement as outlined in Section 5 of this Agreement.

In those Cambridge exchanges where BLAZE has not requested a direct connection to Cambridge as specified in Section 4.2, Cambridge shall continue to route calls originating from its exchanges to Interexchange Carriers in compliance with its equal access and toll dialing parity requirements.

##### **4.2. Type 2-B Interconnection:**

Upon request from BLAZE, the Parties agree to establish a Type 2-B Interconnection. A Type 2-B interconnection will be provided via a two-way trunk group between Cambridge's Stand-Alone End Office Switch or Host End Office Switch and BLAZE's point of presence in the Cambridge's telephone exchange, with the POI designated at the Cambridge's Stand-Alone End Office Switch or Host End Office Switch. These trunk groups would be provisioned in connection with BLAZE's NPA/NXX codes located within a Cambridge exchange served by the End Office Switch, provided that BLAZE has facilities to serve such customers. Applicable tariff charges for establishing and provisioning this trunk group will be billed by Cambridge to BLAZE as described in Section 5.4.5 below.

Interconnection and Reciprocal Compensation Agreement between  
Cambridge Telephone Company and BLAZE Wireless

- A. Landline to Wireless:  
Local Traffic (as defined in Section 1.12 above) from Cambridge's customers to BLAZE's customers shall be routed from the Cambridge's End Office Switch and any subtending Remote End Office Switches to BLAZE via a two-way direct trunk group.
- B. Wireless to Landline:  
Local Traffic originated by BLAZE's customers within MTA No. 45, or customers of another CMRS provider that has entered into a roaming arrangement with BLAZE while roaming in MTA No. 45, to Cambridge's customers that can be reached through Cambridge's End Office Switch shall be routed from BLAZE's network via the two-way direct trunk group to Cambridge's End Office Switch for termination by Cambridge to its customers, as appropriate.

## **5.0 COMPENSATION**

### **5.1. Traffic Subject to Reciprocal Compensation.**

Reciprocal compensation is applicable for Transport and Termination of Local Traffic as defined in Section 1.12 and is related to the exchange of traffic described in Section 4. For the purposes of billing compensation for Local Traffic, billed minutes will be based upon records/reports provided by Qwest or BLAZE or actual recorded usage, where available. Measured usage begins when the terminating recording switch receives answer supervision from the called end-user and ends when the terminating recording switch receives or sends disconnect (release message) supervision, whichever occurs first. The measured usage is aggregated at the end of the measurement cycle and rounded to a whole minute. Billing for Local Traffic shall be based on the aggregated measured usage less traffic recorded as local that is Non-Local Traffic.

### **5.2. Reciprocal Compensation Rate.**

The rate for Reciprocal Compensation shall be \$0.02 per minute.

### **5.3. Traffic Subject to Switched Access Compensation.**

Parties agree that traffic rated and recorded as Local Traffic, may originate or terminate in another MTA, and therefore is Non-Local Traffic and subject to Switched Access Compensation as defined below.

Switched Access Compensation is applicable to all Non-Local Traffic delivered by BLAZE to Cambridge, to the extent that such traffic is not handed off to an IXC. The Parties agree that 1.5% of mobile-to-land traffic routed and recorded as Local Traffic is deemed to be Non-Local Traffic. BLAZE shall compensate Cambridge at Cambridge's interstate Switched Access rates (transport charges for mileage between Cambridge's end office and the Cambridge meet point, plus Cambridge's local switching element as

Interconnection and Reciprocal Compensation Agreement between  
Cambridge Telephone Company and BLAZE Wireless

prescribed in NECA's FCC Access Tariff No. 5) for all such Non-Local Traffic ("Switched Access Compensation").

5.4. Calculation of Payments and Billing.

5.4.1. Cambridge will compensate BLAZE for Local Traffic delivered by Cambridge to BLAZE, as prescribed in Section 4.2, at the rate provided in Section 5.2, above. BLAZE will compensate Cambridge for Local Traffic delivered to Cambridge for termination to its customers as prescribed in Sections 4.1 and 4.2 and at the rate provided in Section 5.2. BLAZE will compensate Cambridge for Non-Local Traffic it terminates to Cambridge at the rates provided in Section 5.3.

5.4.2. Recognizing that BLAZE has no way to measure actual usage, BLAZE may apply factors applied against usage billed by Cambridge to calculate charges to Cambridge. The factors used by BLAZE will be 75% mobile-to-land and 25% land-to-mobile. The calculation of reciprocal compensation billed by BLAZE shall be  $(A/B)*C*D$

Where

A=mobile-to-land minutes billed by Cambridge to BLAZE

B=mobile-to-land factor (75%)

C=land-to-mobile factor

D=Reciprocal Compensation Rate

5.4.3. Recognizing that Cambridge has no way of measuring the Non-Local Traffic, in the event that BLAZE does not track the usage information required to identify the Non-Local Traffic terminated by Cambridge, both parties agree to use a default factor of 1.5% as an estimate of Non-Local Traffic from BLAZE. The actual recorded usage shall be the basis for billing, when available and verifiable.

5.4.4. Each Party may request to inspect, during normal business hours, the records which are the basis for any monthly bill issued by the other Party and to request copies thereof provided that the requested records do not exceed 12 months in age from the date the monthly bill containing said record information was issued.

5.4.5. Where dedicated interconnection facilities are used for two-way traffic exchanged between the Parties, recurring charges for such facilities provided and billed by Cambridge to BLAZE shall be reduced by an agreed upon percentage representing the estimated or actual percentage of traffic exchanged between the Parties over such facilities that originate on Cambridge's network by Cambridge's customers. This percentage is referred to as the "Traffic Factor." The Parties agree the initial Traffic Factor shall be 75% mobile to land and 25% land to mobile for the first year, when implementing the Type 2-B interconnection. The

Interconnection and Reciprocal Compensation Agreement between  
Cambridge Telephone Company and BLAZE Wireless

Parties further agree to review these percentages on a periodic basis not to exceed twice per year and, if warranted by the actual usage, revise the percentages appropriately. Such revised percentages will be implemented upon written agreement between the Parties.

## **6.0 NOTICE OF CHANGES**

If a Party contemplates a change in its network, which it believes will materially affect the inter-operability of its network with the other Party, the Party making the change shall provide at least ninety (90) days advance written notice of such change to the other Party.

## **7.0 GENERAL RESPONSIBILITIES OF THE PARTIES**

7.1. The Parties are each solely responsible for participation in and compliance with national network plans, including The National Network Security Plan and The Emergency Preparedness Plan. Neither Party shall use any service related to or use any of the Services provided in this Agreement in any manner that prevents other persons from using their service or destroys the normal quality of service to other carriers or to either Party's customers, and subject to notice and a reasonable opportunity of the offending Party to cure any violation, either Party may discontinue or refuse service if the other Party violates this provision.

7.2. Each Party is solely responsible for the services it provides to its customers and to other Telecommunications Carriers.

7.3. Each Party is responsible for obtaining Local Exchange Routing Guide ("LERG") listings of the Common Language Location Identifier ("CLLI") assigned to its switches.

7.4. 911/E911. Each Party shall be responsible for its own independent connections to the 911/E911 network.

## **8.0 TERM AND TERMINATION**

8.1. Subject to the provisions of Section 14, the initial term of this Agreement shall be for a two (2) year term ("Term"), which shall commence on the Effective Date. This Agreement shall continue in force and effect thereafter, on a month-to-month basis, until replaced by another agreement or terminated by either Party upon sixty (60) days written notice to the other.

8.2. The Parties agree that disputed and undisputed amounts due under this Agreement shall be handled as follows:

8.2.1. If any portion of an amount due to a Party (the "Billing Party") under this Agreement is subject to a bona fide dispute between the Parties, the Party billed (the "Non-Paying Party") shall, within thirty (30) days of its receipt of the invoice containing such disputed amount, give written notice to the Billing Party of the amounts it disputes ("Disputed Amounts") and include in such notice the specific

Interconnection and Reciprocal Compensation Agreement between  
Cambridge Telephone Company and BLAZE Wireless

details and reasons for disputing each item. The Non-Paying Party shall pay when due all undisputed amounts to the Billing Party. The Parties will work together in good faith to resolve issues relating to the disputed amounts. If the dispute is resolved such that payment of the disputed amount is required, whether for the original full amount or for the settlement amount, the Non-Paying Party shall pay the full disputed or settlement amounts with interest at the lesser of (i) one and one-half percent (1-1/2%) per month or (ii) the highest rate of interest that may be charged under Nebraska's applicable law. In addition, the Billing Party may initiate a complaint proceeding with the appropriate regulatory or judicial entity, if unpaid undisputed amounts become more than 90 days past due, provided the Billing Party gives an additional 30 days notice and opportunity to cure the default.

8.2.2. Any undisputed amounts not paid when due shall accrue interest from the date such amounts were due at the lesser of (i) one and one-half percent (1-1/2%) per month or (ii) the highest rate of interest that may be charged under Nebraska's applicable law.

8.2.3. Undisputed amounts shall be paid within thirty (30) days of receipt of invoice from the Billing Party.

8.3. Upon termination or expiration of this Agreement in accordance with this Section:

(a) Each Party shall comply immediately with its obligations as set forth in Section 8.2 above;

(b) Each Party shall promptly pay all undisputed amounts (including any late payment charges) owed under this Agreement;

(c) Each Party's indemnification obligations shall survive termination or expiration of this Agreement.

8.4. Either Party may terminate this Agreement in whole or in part in the event of a default of the other Party, provided, however, that the non-defaulting Party notifies the defaulting Party in writing of the alleged default and the defaulting Party does not implement mutually acceptable steps to remedy such alleged default within thirty (30) days after receipt of written notice thereof.

## **9.0 CANCELLATION CHARGES**

Except as provided herein, no cancellation charges shall apply.

## **10.0 NON-SEVERABILITY**

10.1. The services, arrangements, terms and conditions of this Agreement were mutually negotiated by the Parties as a total arrangement and are intended to be non-severable.

Interconnection and Reciprocal Compensation Agreement between  
Cambridge Telephone Company and BLAZE Wireless

10.2. Nothing in this Agreement shall be construed as requiring or permitting either Party to contravene any mandatory requirement of federal or state law, or any regulations or orders adopted pursuant to such law.

**11.0 INDEMNIFICATION**

11.1. Each Party (the "Indemnifying Party") shall indemnify and hold harmless the other Party ("Indemnified Party") from and against loss, cost, claim, liability, damage, and expense (including reasonable attorney's fees) to customers and other third parties for:

- (a) damage to tangible personal property or for personal injury proximately caused by the negligence or willful misconduct of the Indemnifying Party, its employees, agents or contractors;
- (b) claims for libel, slander, or infringement of copyright arising from the material transmitted over the Indemnified Party's facilities arising from the Indemnifying Party's own communications or the communications of such Indemnifying Party's customers; and
- (c) claims for infringement of patents arising from combining the Indemnified Party's facilities or services with, or the using of the Indemnified Party's services or facilities in connection with, facilities of the Indemnifying Party.

Notwithstanding this indemnification provision or any other provision in the Agreement, neither Party, nor its parents, subsidiaries, affiliates, agents, servants, or employees, shall be liable to the other for Consequential Damages (as defined in Section 12.3).

11.2. The Indemnified Party will notify the Indemnifying Party promptly in writing of any claims, lawsuits, or demands by customers or other third parties for which the Indemnified Party alleges that the Indemnifying Party is responsible under this Section, and, if requested by the Indemnifying Party, will tender the defense of such claim, lawsuit or demand in the event:

- (a) the Indemnifying Party does not promptly assume or diligently pursue the defense of the tendered action, then the Indemnified Party may proceed to defend or settle said action and the Indemnifying Party shall hold harmless the Indemnified Party from any loss, cost liability, damage and expense.
- (b) the Party otherwise entitled to indemnification from the other elects to decline such indemnification, then the Party making such an election may, at its own expense, assume defense and settlement of the claim, lawsuit or demand.

11.3. The Parties will cooperate in every reasonable manner with the defense or settlement of any claim, demand, or lawsuit.

11.4. Neither Party shall accept the terms of a settlement that involves or references the

other Party in any matter without the other Party's approval.

## **12.0 LIMITATION OF LIABILITY**

12.1. No liability shall attach to either Party, its parents, subsidiaries, affiliates, agents, servants, employees, officers, directors, or partners for damages arising from errors, mistakes, omissions, interruptions, or delays in the course of establishing, furnishing, rearranging, moving, terminating, changing, or providing or failing to provide services or facilities (including the obtaining or furnishing of information with respect thereof or with respect to users of the services or facilities) in the absence of gross negligence or willful misconduct.

12.2. Except as otherwise provided in Section 11.0, no Party shall be liable to the other Party for any loss, defect or equipment failure caused by the conduct of the first Party, its agents, servants, contractors or others acting in aid or concert with that Party, except in the case of gross negligence or willful misconduct.

12.3. Except as otherwise provided in Section 11.0, no Party have any liability whatsoever to the other Party for any indirect, special, consequential, incidental or punitive damages, including but not limited to loss of anticipated profits or revenue or other economic loss in connection with or arising from anything said, omitted or done hereunder (collectively, "Consequential Damages"), even if the other Party has been advised of the possibility of such damages.

## **13.0 DISCLAIMER**

**EXCEPT AS OTHERWISE PROVIDED HEREIN, NEITHER PARTY MAKES ANY REPRESENTATIONS OR WARRANTIES, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO ANY WARRANTY AS TO MERCHANTABILITY OR FITNESS FOR INTENDED OR PARTICULAR PURPOSE WITH RESPECT TO SERVICES PROVIDED HEREUNDER. ADDITIONALLY, NEITHER PARTY ASSUMES ANY RESPONSIBILITY WITH REGARD TO THE CORRECTNESS OF DATA OR INFORMATION SUPPLIED BY THE OTHER PARTY WHEN THIS DATA OR INFORMATION IS ACCESSED AND USED BY A THIRD-PARTY.**

## **14.0 REGULATORY APPROVAL**

The Parties understand and agree that this Agreement will be filed with the Commission. Each Party covenants and agrees to fully support approval of this Agreement by the Commission. The Parties, however, reserve the right to seek regulatory relief and otherwise seek redress from each other regarding performance and implementation of this Agreement. In the event the Commission rejects this Agreement in whole or in part, the Parties agree to meet and negotiate in good faith to arrive at a mutually acceptable modification of the rejected portion(s). Further, this Agreement is subject to change, modification, or cancellation as may be required by a regulatory authority or court in the exercise of its lawful jurisdiction.

Interconnection and Reciprocal Compensation Agreement between  
Cambridge Telephone Company and BLAZE Wireless

**15.0 PENDING JUDICIAL APPEALS AND REGULATORY RECONSIDERATION**

The Parties acknowledge that the respective rights and obligations of each Party as set forth in this Agreement are based on the text of the Act and the rules and regulations promulgated thereunder by the FCC and the Commission as of the Effective Date ("Applicable Rules"). In the event of any amendment to the Act, any effective legislative action or any effective regulatory or judicial order, rule, regulation, arbitration award, dispute resolution procedures under this Agreement or other legal action purporting to apply the provisions of the Act to the Parties or in which the FCC or the Commission makes a generic determination that is generally applicable which revises, modifies or reverses the Applicable Rules (individually and collectively, Amended Rules), either Party may, by providing written notice to the other party, require that the affected provisions of this Agreement be renegotiated in good faith and this Agreement shall be amended accordingly to reflect the pricing, terms and conditions of each such Amended Rules relating to any of the provisions in this Agreement.

**16.0 MOST FAVORED NATION PROVISION**

In accordance with Section 252(i) of the Act, BLAZE shall be entitled to obtain from Cambridge any Interconnection/compensation arrangement provided by Cambridge to any other CMRS provider that has been filed and approved by the Commission, for services described in such agreement, on the same terms and conditions.

Proprietary Information, if written, shall be clearly and conspicuously marked "Confidential" or "Proprietary" or other similar notice, and, if oral or visual, shall be confirmed in writing as confidential by the Disclosing Party to the Receiving Party within ten (10) days after disclosure. Unless Proprietary Information was previously known by the Receiving Party free of any obligation to keep it confidential, or has been or is subsequently made public by an act not attributable to the Receiving Party, or is explicitly agreed in writing not to be regarded as confidential, such information: (1) shall be held in confidence by each Receiving Party; (ii) shall be disclosed to only those persons who have a need for it in connection with the provision of services required to fulfill this Agreement and shall be used by those persons only for such purposes; and (iii) may be used for other purposes only upon such terms and conditions as may be mutually agreed to in advance of such use in writing by the Parties. Notwithstanding the foregoing sentence, a Receiving Party shall be entitled to disclose or provide Proprietary Information as required by any governmental authority or applicable law, upon advice of counsel, only in accordance with Section 17.5.2 of this Agreement.

17.5.2. If any Receiving Party is required by any governmental authority or by applicable law to disclose any Proprietary Information, then such Receiving Party shall provide the Disclosing Party with written notice of such requirement as soon as possible and prior to such disclosure. The Disclosing Party may then seek appropriate protective relief from all or part of such requirement. The Receiving Party shall use all commercially reasonable efforts to cooperate with the Disclosing Party in attempting to obtain any protective relief, which such Disclosing Party chooses to obtain.

17.5.3. In the event of the expiration or termination of this Agreement for any reason whatsoever, each Party shall return to the other Party or destroy all Proprietary Information and other documents, work papers and other material (including all copies thereof) obtained from the other Party in connection with this Agreement and shall use all reasonable efforts, including instructing its employees and others who have had access to such information, to keep confidential and not to use any such information, unless such information is now, or is hereafter disclosed, through no act, omission or fault of such Party, in any manner making it available to the general public.

17.6. Governing Law. For all claims under this Agreement that are based upon issues within the jurisdiction (primary or otherwise) of the FCC, the exclusive jurisdiction and remedy for all such claims shall be as provided for by the FCC and the Act. Each Party purchasing services hereunder shall pay or otherwise be responsible for all federal, state, or local sales, use, excise, gross receipts, transaction or similar taxes, fees or surcharges levied against or upon such purchasing Party (or the providing Party when such providing Party is permitted to pass along to the purchasing Party such taxes, fees or surcharges), except for any tax on either Party's corporate existence, status or income. Whenever possible, these amounts shall be billed as a separate item on the invoice. To the extent a sale is claimed to be for resale tax exemption, the purchasing Party shall furnish the providing Party a proper resale tax exemption certificate as authorized or required by statute or regulation by the jurisdiction providing said resale tax exemption. Failure to timely provide such sale for resale tax exemption certificate will result in no exemption being available to the purchasing Party.

Except as provided in this paragraph, neither Party may assign or transfer (whether by operation of law or otherwise) this Agreement (or any rights or obligations hereunder) to a third party without the prior written consent of the other Party which consent will not be unreasonably withheld; provided that either Party may assign this Agreement to a corporate Affiliate or an entity under its common control or an entity acquiring all or substantially all of its assets or equity by providing prior written notice to the other Party of such assignment or transfer. 17.9. Non-Waiver. Failure of either Party to insist on performance of any term or condition of this Agreement or to exercise any right or privilege hereunder shall not be construed as a continuing or future waiver of such term, condition, right or privilege.

Each Party shall be solely responsible for the cost and effort of accommodating such changes in its own network.
