RE: 2014 Yearly Reporting Requirement and Withdrawal Request

Mrs. Melton,

Per our earlier conversation this letter is provided as per the rules and regulations of the Nebraska Administrative Code, Title 291, Rule 011.04 for Competitive Natural Gas Providers in the State of Nebraska. Although Interconn Resources, LLC has registered as a CNGP in the state, we have not provided any commercial/industrial customers with gas supply during this time period as outlined below. Furthermore, Interconn Resources, LLC no longer operates in the Mid Continent region and with that in mind would like to formally withdraw from the Nebraska Competitive Natural Gas Provider program as of July 1, 2015. If you have any questions or need any additional information please don't hesitate to ask. I can be reached via phone, 205-969-1047 or email, [tadt@interconnresources.com](mailto:tadt@interconnresources.com).
