**NEBRASKA PUBLIC SERVICE COMMISSION**

Comments reference the secretary's record, Nebraska Public Service Commission, regarding a revised plan to distribute wireless E-911 funds directly to PSAPs rather than the Commission making payments to vendors:

I have no objections to the changes. My concern is with payment to Sagir, Inc. As indicated in the email attachment sent by Beth Ferrell on Wednesday, December 30, 2009, identified as E911-019, Appendix B, Sagir received \$32,147.00. Sagir, Inc. owes back taxes on Nebraska towers, including back taxes in the amount of \$6,155.00 owed to Box Butte County.

Respectfully submitted,

Tammy S. Mowry, Sheriff  
Box Butte County Sheriff
