Docket No. NUSF-99.01: In the Matter of the Nebraska Public Service Commission, on its own Motion, to administer the Universal Service Fund High-Cost Program; CenturyLink Broadband Grant Requests 2016:

On September 22, 2016 CenturyLink submitted five broadband deployment projects for Commission approval. The projects are located in Gering, North Platte, Ogallala, and Scottsbluff. A list of the census blocks CenturyLink intends to serve is available at http://psc.nebraska.gov/ntips/ntips_nusf.html. Other providers now have 30 days to indicate they already serve the identified blocks. Existing providers therefore have until November 11, 2016, to notify CenturyLink and the Commission that they currently offer broadband service at speeds of 10 Mbps downstream and 1 Mbps upstream or higher in the identified census blocks.
