

census blocks with fixed point broadband service of at least 4Mbps downstream and 1Mbps upstream (the “Duplicate Census Blocks”). Attached is a list of the Duplicate Census Blocks. CenturyLink’s proposed broadband service to the Duplicate Census Blocks and its proposed central office equipment (“COE”) investment duplicate HunTel’s existing plant capabilities which makes funding of the Century Link Wakefield project contrary to stated Commission policies governing approval of Nebraska Broadband Program grant funding and constitutes a waste of scarce NUSF support resources.

Q. Does this conclude your testimony?

A. Yes.

Duplicate Census Block Attachment
