RE: Rule and Regulation #182

With regards to the above captioned Rule, I would like to re-emphasize the following points. The same in my comments from January 24, 2014.

004.01 The first time application fee should be set At \$1000.00

004.02 The annual fee of \$25.00 has been deleted. When will we know what the fee will be for each Motor vehicle? Does this fee apply to intrastate and intracity vehicles only?

004.04D Once again, what is the fee going to be on a replacement plate? The \$1.00 has been deleted.

007 Thank you for deleting all of this from 007.01 to 007.03.

008.02A8 I will reiterate what I said in my letter date June 23, 2011 and January 24, 2014: If a carrier needs extra equipment, generally it would be temporary and in an emergency. How fast would the Commission get the quadruplicate copies approved and returned? This seems redundant since the leasing companies do a great job on their paperwork.

Respectfully,

Dennis Leslie
