

Paid for by the Douglas county Republican Party.

Hello this is former Governor Dave Heineman.

I'm calling to ask you to vote for Mayor Jean Stothert on Tuesday.

I believe Mayor Stothert is one of the best mayors in the country, and, she's the only conservative with any real experience in the mayoral race. That's why she is the only Republican endorsed by the Douglas County Republican Party.

Others may talk a good game, but only Mayor Stothert gets the job done.

Remember to vote for Mayor Stothert on Tuesday.
