

Hello, this is your city councilwoman Cyndi Lamm calling for Brayden McLaughlin. I support Brayden McLaughlin because he understands that Lincoln is not just downtown and the Hay Market. He is a city planner who will work with me to make sure the rest of the city gets the service we deserve, and he will fight with me to lower your taxes. On Tuesday I will be casting one of my votes for Brayden McLaughlin. I am asking you to do so too. Paid for by McLaughlin for City Council www.BraydenMcLaughlin.com
