Hello, I'm AARP President Eric Schneidewind and I'm calling to wish you a happy National Volunteer Week. Most important, I want to thank you for all that you do today and every day. By giving so generously of your time and skills fighting for the things Americans age 50 plus care about most, you truly make a difference. AARP has you to thank for the incredible progress we made this past year and we are deeply grateful you will be with us for all that lies ahead. On behalf of AARP and all Americans over 50, thank you. If you have questions or comments, please call AARP at toll-free nationwide 1-888-OUR-AARP. That's 1-888-687-2277 during regular business hours, or mail AARP, 601 E Street, Northwest, Washington DC, 20049.
