

Christensen Script

Hello, this is Roy Christensen. This call is paid for by my campaign, the Committee to Elect Roy Christensen. I'm calling everyone who has requested a ballot to ask for your vote in re-election to the Lincoln City Council and to urge you to mail your ballot back to the election commissioner today or tomorrow, or hand deliver your ballot to the election commissioner's office. Make sure your vote counts, and please vote for me, Roy Christensen, to continue representing you on the Lincoln City Council. For more information, call 402-770-0517 and visit royforlincoln.com. Thank you.
