

Stohtert Script

Hi, this is United States Senator Deb Fischer calling on behalf of Mayor Jean Stohtert. When it comes to the important issue of life, you can count on Mayor Stohtert to be consistent and trustworthy. Her opponent has tried to have it both ways on this critical issue, but the bottom line is he will not stand up to abortion providers. Mayor Stohtert will always stand tall for life and support compassionate care for women in crisis. This call is paid for by Jean Stohtert for Omaha Committee, www.jeanstohtert.com. 402-506-6623.
