

## **American Renewal Project Scripts**

Begin time: August 2 at 2:13 pm CT.

Hello this is Lindsey with the American Renewal Project. I'm calling to invite you to tomorrow's special phone conversation with Newt Gingrich former Speaker of the House and author of new book Understanding Trump. During this one of a kind event you'll have an opportunity to hear from Newt himself and have a chance to ask him your questions directly. All you have to do is be by your phone tomorrow afternoon at 3pm eastern. When we call back tomorrow afternoon simply stay on the line and you'll be automatically connected to this live event. 5126502728
