

Hi, this is Jim Vokal, calling for Strong Jobs Nebraska. I'd like to invite you to a live telephone town hall I'm hosting tomorrow at 8pm Central, 7 Mountain, to discuss bills in the Nebraska Legislature that reduce bureaucratic red tape and job-killing regulations.

Tomorrow at 8/7 Mountain, we'll call this same number. All you need to do is pick up and stay on the line to join the town hall.

You can also call in to the town hall by dialing (402) 819-0088 at 8/7 Mountain.

If you have any questions, you can contact the Platte Institute's Strong Jobs Nebraska campaign at (402) 452-3737

Thanks, and I'll look forward to speaking with you tomorrow. Goodbye!
