

## Post Cloture Vote Script Senator Ben Sasse

I'm calling again from Save My Care at **Care (888) 250-3648** asking you to help stop the Republican's last ditch attempt to take away our health care.

Our Senator, Ben Sasse, was one of a handful of deciding votes that has kept the Republican plan to repeal health care alive.

But Senator Sasse will have one more chance to do the right thing.

We need to let him/her know that the people of Nebraska demand that he/she vote no when the bill comes to a final vote in the Senate.

If it passes, the GOP plan could take away coverage from up to 32 million people, force people to pay twice as much for their premiums and end Medicaid expansion.

Call Senator Sasse right now. Tell him to vote NO.

To speak to Senator Sasse's office, simply press "zero" on your touch-tone phone and we will connect you at no charge. Press zero now to be connected.
