

NE – Ben Sasse Save My Care Script – 7/18

I'm calling again from Save My Care at **Care (888) 250-3648** asking you to help put an end to Republican attempts to repeal health care once and for all.

In the face of massive public opposition, Senate Republicans have given up on their attempt to “repeal and replace” the Affordable Care Act. Instead they have a plan to make it even worse - a last ditch effort to repeal health care entirely.

Their latest plan would take away coverage from 32 million people, force people to pay twice as much for their premiums and end Medicaid expansion immediately.

A handful of Senators will determine the outcome, including your Senator Ben Sasse. We need to flood them with calls.

Call your Senator Ben Sasse right now. Tell him to vote NO. If you've called before call again now.

To speak to Senator Sasse's office, simply press “zero” on your touch-tone phone and we will connect you at no charge. Press zero now to be connected.
