

Script for NE Senator Ben Sasse – Save My Care/MoveOn

I'm calling one last time from Save My Care at [\(888\) 250-3648](tel:8882503648) asking you to take urgent action to stop Senate Republicans from repealing health care in the next several days.

If they're successful it will cost 23 million Americans their health care coverage, massively increase the premiums of for those that are older or have medical problems, put disable children at risk by gutting Medicaid, cut opioid abuse treatment, and defund Planned Parenthood.

We've come too far to let the Republicans take away our health care just to give a huge tax cut to millionaires.

A handful of Senators will determine the outcome, including your Senator Ben Sasse. We need to flood his offices with calls.

Call Senator Sasse right now. Tell him to vote NO. If you've called before call again now.

To speak to Senator Sasse's office, simply press "zero" on your touch-tone phone and we will connect you at no charge. Press zero now to be connected.
