

Script for NE Senator Ben Sasse – Save My Care/MoveOn – Revised for 6/30

I'm from Save My Care at **Care (888) 250-3648** with an update on Republican attempts to repeal health care.

Senate Republicans have delayed their vote to repeal health care because your pressure has caused their support to crumble.

We can't let up now.

They're still determined to pass legislation that would cost 22 million Americans their health care coverage, massively increase premiums for people that are older or have medical problems, put disabled children at risk by gutting Medicaid, cut opioid abuse treatment, and defund Planned Parenthood – all to give huge tax cuts to millionaires.

A handful of Senators will determine the outcome, including your Senator Ben Sasse.

Call Senator Sasse. Tell him to vote NO. If you've called before call again now.

To speak to Senator Sasse's office, simply press "zero" on your touch-tone phone and we will connect you at no charge. Press zero now to be connected.
