## **Recording 1**

Hello, this is Graham with AFSCME [Aff-sme]. President Trump's nominee for the Supreme Court, Neil Gorsuch [Gore-such], has a record of siding with corporations over workers, women, and consumers. That's why so many oppose him.

But President Trump and Republican Senate leaders want to ram this appointment through by changing the rules and reducing the number of votes needed to put Gorsuch on the Supreme Court.

In a moment, I will connect you to your Senator's office. Please leave a message for your Senator and tell them not to change the rules and don't vote for Neil Gorsuch. That's right, don't change the rules and don't vote for Gorsuch.

Thanks for your help. This call has been paid for by AFSCME, 202-429-1164.
