Reform for Nebraska's Future is a coalition of thousands of Nebraskans working to support property tax reform and we need your help. Please PRESS 1 and tell your Senator that property tax reform needs to be THE PRIORITY. The latest proposal by legislators would raise property taxes in order to pay for income tax reform for the wealthiest of Nebraskans. Instead of providing increased property tax relief, this proposal would actually increase property taxes. Tell your Senator that Nebraskans need property tax reform now and that raiding the property tax credit fund does nothing more than increase taxes. PRESS 1 AGAIN and you will be connected with your Senator's office. Tell them that property tax reform should be the TOP PRIORITY for lawmakers. Please PRESS 1 to ask your Senator to pass property tax reform NOW!
