I am calling on behalf of Reform for Nebraska's Future asking if you are worried about property taxes. 77 percent of Nebraskans have said that they support property tax reform yet Nebraska's Legislature is considering a bill that would provide income tax cuts for the wealthiest Nebraskans while providing little to nothing for property taxpayers. Please PRESS 1 to tell your Senator that property tax reform is THE TOP PRIORITY and nothing short of overwhelming property tax relief is acceptable. Please PRESS 1 now to tell your Senator to stand strong for home and property owners and provide the property tax relief needed. PRESS 1 to tell your Senator to oppose LB461 unless changes are made to provide meaningful property tax relief

Senators in the Nebraska Legislature are considering a proposal to provide income tax cuts for the wealthy while refusing to provide meaningful property tax reform. Please PRESS 1 to tell your Senator to vote NO on LB461 unless it provides significantly more property tax relief. LB461 has misplaced priorities and currently provides \$10 of income tax cuts for every \$1 of property tax relief. PRESS 1 to tell your Senator to oppose LB461 unless home and property owners receive overwhelming relief. PRESS 1 AGAIN and you will be connected with your Senator's office. Please PRESS 1 to tell them to vote NO on LB461.
