I'm calling from Save My Care at 888-250-3648 with a critical action alert. By the slimmest of margins, the House has passed a bill to repeal the Affordable Care Act – take away health insurance from 24 million people and eliminate protections for those with pre-existing conditions – all to give 600 billion in tax breaks to the rich.

Your Member of Congress, Don Bacon, was one of the deciding votes to repeal the Affordable Care Act – even though most Americans strongly opposed repeal.

It is very likely that the bill will come back to the House for a final vote.

Call Representative Bacon. Tell him that you are outraged by his vote. Demand that he oppose the repeal of the Affordable Care Act.

To speak to Representative Bacon's office right now, simply press "zero" on your touch-tone phone and we will connect you at no charge. Press zero now to be connected.
