

*"Hello, I'm calling on behalf of the D-C-C-C. House Republicans – including your representative, Don Bacon - voted last week to increase your health insurance premiums and deductibles, toss 24 million Americans off of their insurance, slap you with an age tax if you're age 50 to 64, and let health insurance companies charge you more if you have a preexisting condition. Press 9 now to be connected with your representative's office and ask them why they voted against you. Paid for by the D-C-C-C, 202-863-1500. Not authorized by any candidate or candidate's committee."*
