

05/03/17 Automated Call Script – Not Needed Letters

Hello, this is the Douglas County Election Commission. Due to a greater response than expected, we will not require your services for the General Election. Please disregard the recent assignment letter received for working the Tuesday, May 9 General Election. You will still be compensated for any training you attended. If you are a draftee, this election will count as one of the four elections you are required to serve. If you have any questions, please contact Heather Vogler-Fischer at 402-444-8683. Thank you.
