

Hello, I'm Terry Synovec and I am running for Dodge County Register of deeds. As a past county supervisor I saw the opportunity for improvement in every office and in every budget. I am running to combine the offices of assessor and register of deeds to save the county hundreds of thousands of dollars annually, improve access to your records, and use technology to make the office more efficient. I'm Terry Synovec and I'm counting on your support in the Republican Primary on May 15th.
