Good evening. This is your union, AFGE. The government shutdown has been temporarily averted. However, funding will only last through February 8th when another shutdown may occur if we don't act quickly. If you stay on the line right now you can instantly join a live call with AFGE national leaders and fellow members to discuss what you can do to make sure the government shutdown does not happen again. Again to join in on this important meeting just stay on the line and you'll be connected automatically. If you would like to speak to someone in the legislative department, please dial 2027378700. If you'd like to be removed from our call list, please dial 2027987474.
