

Food & Water Watch Scripts

Begin time: January 30 at 12:00 pm CT.

Hello this is Alea with Food and Water Action. On Tuesday, January 30th at 5pm eastern, Executive Director, Wenonah Hauter, will be conducting a live town hall event with other Food & Water Watch activists and supporters. We'll discuss the real state of the union and we'll talk about how, together, we can win critical fights to protect our drinking water and food supply in 2018. With the midterm elections right around the corner, we have a huge opportunity to swing the political pendulum in our favor. So I hope you'll join the conversation and share your thoughts and questions with us. It's free to participate and all you'll need to do is answer the phone when we call on Tuesday around 5 pm. If you'd rather stream the live video of the event on your computer or mobile device, please visit www.foodandwateractionfund.org/live. If you have any questions about this event or you would like to reach us, please call 202.683.2440.
