Begin time March 13 at 6:00 pm CT.

Hello this is Peter Whistler with the National Education Association's Early Career Educator team. I'm calling to invite you to join me right now for a live webinar for new and aspiring educators on culturally responsive teaching. Please stay on the line and you along with thousands of other young educators will be instantly connected. During this webinar we will unpack what it means to be a culturally responsive teacher, the importance of having the awareness of his own culturally identity, views about difference, and the ability to learn and build on the cultural and community norms of students and their families. You'll be able to ask our presenters any questions you have live during the webinar. Again, please stay on the line and you'll be connected to our live webinar on culturally responsive teaching. Following the event if you have any questions please call 202.833.4000.
