Universal Service Support for eligible)
served locations in Citizens)
Telecommunications of Nebraska d/b/a)
Frontier Communications of Nebraska
Support Areas.

Northeast Nebraska Telephone Company ("Applicant") files this application with the Public Service Commission ("Commission"), pursuant to the Commission's Rules of Procedure, seeking receipt of ongoing high-cost Nebraska Universal Service Fund ("NUSF") support for locations for which Citizens Telecommunications of Nebraska d/b/a Frontier Communications of Nebraska ("Frontier"), the incumbent local exchange carrier ("ILEC"), has carrier of last resort ("COLR") responsibilities and which are within the "Support Area or Support Areas," as further defined below. Applicant is currently offering fiber-based voice and broadband services to all locations in the Support Area(s). As the Application will set forth, the action sought is consistent with existing law, the Commission's NUSF Rules and Regulations, as well as orders entered in NUSF-139.

In support of its Application, Applicant provides the following:

1. A description of the Applicant's organizational structure (Exhibit A), including a certificate of good standing from the Nebraska Secretary of State (Exhibit B).
2. A demonstration that the Applicant is a Nebraska Eligible Telecommunications Carrier (Exhibit C. Affidavit of Northeast Nebraska Telephone Company). Note that Applicant has filed Application No. C-5724/NUSF-156 with the Commission on August 14, 2026 seeking Commission approval of Applicant's request to enlarge the locations for which Applicant is designated as an ETC/NETC to include all locations that are the subject of this Application.

3. A commitment verified by the Affidavit (Exhibit C) to comply with all provisions of NEB. ADMIN. CODE, tit. 291, ch.10, § 004.02(G).
4. A commitment verified by the Affidavit (Exhibit C) to fulfill to the Commission's satisfaction the following COLR obligations for so long as the Applicant receives NUSF support:
 - a. Offer Voice Services to all locations in the Support Area in compliance with the Commission's rules and regulations.
 - b. Offer reliable Broadband Services to all locations in the Support Area at speeds required by Nebraska statute.
 - c. Offer affordable and reasonably comparable Voice Services and Broadband Services to all locations in the Support Area.
 - i. Rates for Voice Services will be no higher than the Voice Benchmark Rate established by the Commission.
 - ii. Rates for Broadband Services will comply with the Broadband Benchmark Rate established by the Commission.
 - d. Offer 911 and Telecommunications Relay services.
 - e. Participate in the Nebraska Telephone Assistant Program.
5. A description of the Support Area, showing by shapefile all Serviceable Locations for which support is sought is attached to the electronic filing of this Application as Exhibit D. Exhibit D includes a list of locations served/to be served.
6. A commitment to file the NUSF EARN Form, or any replacement filing, annually.
7. A commitment to file Commission-prescribed NETC certification reports annually.
8. A commitment to provide interconnection with any requesting carrier on a reasonable and nondiscriminatory basis.
9. A commitment to file speed test data and to meet speed testing metrics consistent with the Commission's Orders in NUSF-133.

10. A commitment that NUSF support received will be used in a manner consistent with the requirements of the NUSF Act (NEB. REV. STAT. 86-316 - 86-329), Commission Rules and Regulations, and any order or policy of the Commission relevant to the use of NUSF support.
11. An affirmation verified by the Affidavit (Exhibit C) that Applicant is not using or deploying communications equipment or service deemed to pose a threat to national security which is identified on the FCC's *List of Equipment and Services Covered by Section 2 of the Secure Networks Act* anywhere on its network.
12. Information responsive to the Commission's NUSF Rules and Regulations (NEB. ADMIN. CODE, tit. 291, ch.10, § 004.02(G)(i)):
- a. **The cost of providing the supported services.** Applicant requests support for all Serviceable Locations in the Support Area based on modelling approved by the Commission in NUSF-139.
 - b. **An estimate of the amount of NUSF high-cost program support needed in the area.** Applicant defers to the modelling approved by the Commission in NUSF-139.
 - c. **Benefits to consumers.** Consumers already have access to Applicant's fiber-based telecommunications and broadband services at locations where the ILEC was not offering comparable services.
 - d. **The supported services provided in unserved areas.** Applicant will comply with its COLR obligations as stated above.
 - e. **A demonstration that the quality of service provided would equal the existing service or be better than service provided.** Such information is publicly available as part of Broadband Data Collection ("BDC") program administered by Federal Communications Commission ("FCC").

f. **Applicant will adopt existing interconnection agreements for the Support Area as needed to provide services,** consistent with the requirements of NUSF-139.

g. **Specific demonstration and documentation of the ability of the Applicant to offer service to everyone on its own network.** Such information is publicly available as part of the FCC's BDC program.

Having complied with all statutes, rules, regulations, and orders of the Commission, Applicant respectfully requests the Commission enter an Order:

1. Allocating ongoing high-cost support consistent with modelling under NUSF-139 to Applicant for all locations in the Support Area that are eligible for such support;
2. Subjecting Applicant to the following COLR duties for so long as it receives NUSF ongoing support:
 - a. Offer Voice Services to all locations in the Support Area in compliance with the Commission's rules and regulations.
 - b. Offer reliable Broadband Services to all locations in the Support Area at speeds required by Nebraska statute.
 - c. Offer affordable and reasonably comparable Voice Services and Broadband Services to all locations in the Support Area.
 - d. Rates for Voice Services will be no higher than the Voice Benchmark Rate established by the Commission.
 - e. Rates for Broadband Services will comply with the Broadband Benchmark Rate established by the Commission.
 - f. Offer 911 and Telecommunications Relay services.
 - g. Participate in the Nebraska Telephone Assistant Program.
3. Holding Applicant to the other commitments it has made in its application.
4. Relieving ILEC of its COLR duties for all locations in the Support Area.
