) Entered: December 1, 2020

BY THE HEARING OFFICER:

On June 1, 2020, Black Hills Nebraska Gas, LLC, d/b/a Black Hills Energy ("Black Hills" or "Applicant") filed an application seeking a general rate increase. On July 13, 2020, the procedural schedule was set by order of the hearing officer. The procedural schedule was then modified on October 23, as the parties to this proceeding were in the process of finalizing a complete settlement of the issues. Following that order, in consultation with the parties, I found that the procedural schedule should be further revised. I further find that hearing previously scheduled for December 15th should be converted to a workshop format to allow for open discussion between the parties and Commissioners.

With the advice and consent of the parties, I hereby find that the schedule should be adjusted as set forth below. Items not listed on this procedural schedule are no longer included as future dates and/or deadlines.

Date	Event
Monday, December 14, before 5:00 p.m.	Applicant to file updated schedule of CWIP and hiring of open positions
