SCOPE OF SERVICE**

The Nebraska Public Service Commission is issuing this RFP (RFP) Number PSC-GAS-2024-1 for the purpose of selecting a qualified Contractor to provide, at a competitive and reasonable cost, professional consulting services for natural gas rate cases and other matters related to the regulation of natural gas public utilities. A more detailed description can be found in Project Description and Scope of Work Section below. The resulting contract may not be an exclusive contract as the State reserves the right to contract for the same or similar services from other sources now or in the future.

The term of the contract will be three (3) years commencing upon execution of the contract by the State and the Contractor. The Contract includes the option to renew for two (2) additional two (2) year periods upon mutual agreement of the Parties. The State reserves the right to extend the period of this contract beyond the termination date when mutually agreeable to the Parties.

In the event that a contract with the awarded bidder(s) is cancelled or in the event that the State needs additional contractors to supply the solicited services, this RFP may be used to procure the solicited services for up to eighteen (18) months from the date the Intent to Award is posted, provided that 1) the solicited goods or services will be provided by a bidder (or a successive owner) who submitted a bid pursuant to this RFP, 2) the bidder's proposal was evaluated, and 3) the bidder will honor the bidder's original proposal, including the proposed cost, allowing for any price increases that would have otherwise been allowed if the bidder would have received the initial award.

ALL INFORMATION PERTINENT TO THIS RFP CAN BE FOUND ON THE INTERNET AT: www.psc.nebraska.gov.

IMPORTANT NOTICE: Pursuant to Neb. Rev. Stat. § 84-602.04, State contracts in effect as of January 1, 2014, and contracts entered into thereafter, must be posted to a public website. The resulting contract, the RFP, and the awarded bidder's proposal and response will be posted to a public website managed by DAS, which can be found at <http://statecontracts.nebraska.gov> And https://www.nebraska.gov/das/materiel/purchasing/contract_search/index.php.

In addition and in furtherance of the State's public records Statute (Neb. Rev. Stat. § 84-712 et seq.), all proposals or responses received regarding this RFP will be posted to the State Purchasing Bureau public website.

These postings will include the entire proposal or response. Bidder must request that proprietary information be excluded from the posting. The bidder must identify the proprietary information, mark the proprietary information according to Commission rules, and submit the proprietary information in a separate file named conspicuously as "PROPRIETARY INFORMATION". The bidder should submit a detailed written document showing that the release of the proprietary information would give a business advantage to named business competitor(s) and explain how the named business competitor(s) will gain an actual business advantage by disclosure of information. The mere assertion that information is proprietary or that a speculative business advantage might be gained is not sufficient. (See Attorney General Opinion No. 92068, April 27, 1992). THE BIDDER MAY NOT ASSERT THAT THE ENTIRE PROPOSAL IS PROPRIETARY. COST PROPOSALS WILL NOT BE CONSIDERED PROPRIETARY AND ARE A PUBLIC RECORD IN THE STATE OF NEBRASKA. The Commission will determine, in its sole discretion, if the disclosure of the information designated by the Bidder as proprietary would 1) give advantage to business competitors and 2) serve no public purpose. The Bidder will be notified of the Commission's decision. Absent a determination by the Commission that the information may be withheld pursuant to Neb. Rev. Stat. § 84-712.05, the Commission will consider all information a public record subject to disclosure.

If the Commission determines it is required to release withheld proprietary information, the bidder will be informed. It will be the bidder's responsibility to defend the bidder's asserted interest in non-disclosure.

To facilitate such public postings, with the exception of proprietary information, the State of Nebraska reserves a royalty-free, nonexclusive, and irrevocable right to copy, reproduce, publish, post to a website, or otherwise use any contract, proposal, or response to this RFP for any purpose, and to authorize others to use the documents. Any individual or entity awarded a contract, or who submits a proposal or response to this RFP, specifically waives any copyright or other protection the contract, proposal,

or response to the RFP may have; and acknowledges that they have the ability and authority to enter into such waiver. This reservation and waiver is a prerequisite for submitting a proposal or response to this RFP, and award of a contract. Failure to agree to the reservation and waiver will result in the proposal or response to the RFP being found non-responsive and rejected.

Any entity awarded a contract or submitting a proposal or response to the RFP agrees not to sue, file a claim, or make a demand of any kind, and will indemnify and hold harmless the State and its employees, volunteers, agents, and its elected and appointed officials from and against any and all claims, liens, demands, damages, liability, actions, causes of action, losses, judgments, costs, and expenses of every nature, including investigation costs and expenses, settlement costs, and attorney fees and expenses, sustained or asserted against the State, arising out of, resulting from, or attributable to the posting of the contract or the proposals and responses to the RFP, awards, and other documents.

G. ETHICS IN PUBLIC CONTRACTING

The Commission reserves the right to reject proposals, withdraw an intent to award or award, or terminate a contract if an ethical violation has been committed, which includes, but is not limited to:

1. Offering or giving, directly or indirectly, a bribe, fee, commission, compensation, gift, gratuity, or anything of value to any person or entity in an attempt to influence the bidding process;
2. Utilizing the services of lobbyists, attorneys, political activists, or consultants to influence or subvert the bidding process;
3. Being considered for, presently being, or becoming debarred, suspended, ineligible, or excluded from contracting with any state or federal entity;
4. Submitting a proposal on behalf of another Party or entity; and
5. Colluding with any person or entity to influence the bidding process, submit sham proposals, preclude bidding, fix pricing or costs, create an unfair advantage, subvert the proposal, or prejudice the Commission.

The Bidder shall include this clause in any subcontract entered into for the exclusive purpose of performing this contract.

Bidder shall have an affirmative duty to report any violations of this clause by the Bidder throughout the bidding process and throughout the term of this contract for the awarded Bidder and their subcontractors.

H. DEVIATIONS FROM THE RFP

The requirements contained in the RFP become a part of the terms and conditions of the contract resulting from this RFP. Any deviations from the RFP must be clearly defined by the bidder in its proposal and, if accepted by the Commission, will become part of the contract. Any specifically defined deviations must not be in conflict with the basic nature of the RFP, requirements, or applicable state or federal laws or statutes. "Deviation", for the purposes of this

RFP, means any proposed changes or alterations to either the contractual language or deliverables within the scope of this RFP. The Commission discourages deviations and reserves the right to reject proposed deviations.

I. SUBMISSION OF PROPOSALS

The following describes the requirements related to proposal submission, proposal handling and review by the Commission.

To facilitate the proposal evaluation process, one (1) original, clearly identified as such, and five (5) copies of the entire proposal should be submitted. The copy marked "original" will be the controlling copy, should there be a discrepancy. Proposals must be submitted by the proposal due date and time. The bidder must clearly mark any confidential information pursuant to Commission rules and submit any confidential information in a separate sealed container or envelope marked conspicuously with the words "CONFIDENTIAL". Cost proposals will not be considered proprietary or confidential and are a public record in the State of Nebraska. A separate sheet must be provided that clearly states which sections have been submitted as confidential or have copyrighted materials.

The Commission accepting filings marked by the bidder as confidential shall not be construed as an agreement or ruling on the confidentiality of any document or information. Nothing shall preclude any party from requesting the Commission, or any other body having appropriate authority, to find that confidential status should not apply to all or any materials previously designated as Confidential by the bidder. In the event that any challenge is submitted to the Commission on a claim of confidentiality, the bidder objecting to the removal of the confidential designation bears the burden of demonstrating the harm that would result from public disclosure of the material for which protection is sought. If the Commission determines information is not confidential, the bidder will be informed.

Proposal responses should include the completed Form A, Bidder Contact Sheet. Proposals must reference the RFP number and be sent to the specified address. Please note that the address label should appear on the face of each container or bidder's bid response packet. Rejected late proposals will be returned to the bidder unopened, if requested, at bidder's expense. If a recipient phone number is required for delivery purposes, (402) 471-3101 should be used. The RFP number must be included in all correspondence.

Emphasis should be concentrated on conformance to the RFP instructions, responsiveness to requirements, completeness, and clarity of content. If the bidder's proposal is presented in such a fashion that makes evaluation difficult or overly time consuming it is likely that points will be lost in the evaluation process and the Commission reserves the right to reject the proposal as non-conforming. Elaborate and lengthy proposals are neither necessary nor desired.

By signing the "Request for Proposal for Contractual Services" form, the bidder guarantees compliance with the provisions stated in this RFP.

The Commission shall not incur any liability for any costs incurred by bidders in replying to this RFP, in the demonstrations and/or oral presentations, or in any other activity related to bidding on this RFP.

The Technical and Cost Proposals Template should be presented in separate sections (loose-leaf binders are preferred) on standard 8 ½" x 11" paper, except that charts, diagrams and the like may be on fold-outs which, when folded, fit into the 8 ½" by 11" format. Pages may be consecutively numbered for the entire proposal, or may be numbered consecutively within sections. Figures and tables should be numbered consecutively within sections. Figures and tables should be numbered and referenced in the text by that number, and should be placed as close as possible to the referencing text.

J. PROPOSAL PREPARATION COSTS

The Commission shall not incur any liability for any costs incurred by bidder's in replying to this RFP, including any activity related to bidding on this RFP.

K. FAILURE TO COMPLY WITH RFP

Violation of the terms and conditions contained in this RFP or any resultant contract, at any time before or after the award, shall be grounds for action by the Commission which may include, but is not limited to, the following:

Rejection of a bidder's proposal,
Withdrawal of the Intent to Award,
Withdrawal of the Award,
Negative documentation regarding Vendor Performance,
Termination of the resulting contract,

Legal action; and

Suspension of the bidder from further bidding with the State for the period of time relative to the seriousness of the violation. Such period to be within the sole discretion of the State.

L. PROPOSAL CORRECTIONS

A bidder may correct a mistake in a bid prior to the time of opening by giving written notice to the Commission of intent to withdraw the bid for modification or to withdraw the bid completely. Changes in a bid after opening are acceptable only if the change is made to correct a minor error that does not affect price, quantity, quality, delivery, or contractual conditions. In case of a mathematical error in extension of price, unit price shall govern.

M. LATE PROPOSALS

Proposals received after the time and date of the proposal opening will be considered late proposals. Late proposals will be considered non-responsive. The Commission is not responsible for proposals that are late or lost regardless of cause or fault.

N. PROPOSAL OPENING

The opening of proposals will be publicly opened and the bidders will be announced on the date, time, and location shown in the Schedule of Events. Proposals **WILL NOT** be available for viewing by those present at the proposal opening. Vendors may contact the State to schedule an appointment for viewing proposals after the Intent to Award has been posted to the website. Once proposals are opened, they become the property of the State of Nebraska and will not be returned.

O. RFP/PROPOSAL REQUIREMENTS

Q. EVALUATION OF PROPOSALS

All proposals that are responsive to the RFP will be evaluated. Each evaluation category will have a maximum point potential. The Commission will conduct a fair, impartial, and comprehensive evaluation of all proposals in accordance with the criteria set forth below. 1. Executive Summary
2. Corporate Overview should include but is not limited to:

4. Cost Proposal.

Evaluation criteria will become public information at the time of the RFP opening. Evaluation criteria and a list of respondents will be posted to the Internet at: www.psc.nebraska.gov. Evaluation criteria will not be released prior to the proposal opening.

Neb. Rev. Stat. § 73-107 allows for a preference for a resident disabled veteran or business located in a designated enterprise zone. When a state contract is to be awarded to the lowest responsible bidder, a resident disabled veteran or a business located in a designated enterprise zone under the Enterprise Zone Act shall be allowed a preference over any other resident or nonresident bidder, if all other factors are equal.

Resident disabled veterans means any person (a) who resides in the State of Nebraska, who served in the United States Armed Forces, including any reserve component or the National Guard, who was discharged or otherwise separated with a characterization of honorable or general (under honorable conditions), and who possesses a disability rating letter issued by the United States Department of Veterans Affairs establishing a service-connected disability or a disability determination from the United States Department of Defense and (b)(i) who owns and controls a business or, in the case of a publicly owned business, more than fifty percent of the stock is owned by one or more persons described in (a) of this paragraph and (ii) the management and daily business operations of the business are controlled by one or more persons described in (a) of this paragraph. Any contract entered into without compliance with this section shall be null and void.

Therefore, if a resident disabled veteran or business located in a designated enterprise zone submits a proposal in accordance with Neb. Rev. Stat. § 73-107 and has so indicated on the RFP cover page under “Contractor must complete the following” requesting priority/preference to be considered in the award of this contract, the following will need to be submitted by the contractor within ten (10) business days of request:

1. Documentation from the United States Armed Forces confirming service,
2. Documentation of discharge or otherwise separated characterization of honorable or general (under honorable conditions),
3. Disability rating letter issued by the United States Department of Veterans Affairs establishing a service-connected disability or a disability determination from the United States Department of Defense; and
4. Documentation which shows ownership and control of a business or, in the case of a publicly owned business, more than fifty percent of the stock is owned by one or more persons described in subdivision (a) of this subsection; and the management and daily business operations of the business are controlled by one or more persons described in subdivision (a) of this subsection.

Failure to submit the requested documentation within ten (10) business days of notice will disqualify the bidder from consideration of the preference.

R. ORAL INTERVIEWS/PRESENTATIONS AND/OR DEMONSTRATIONS

The Commission may determine after the completion of the Technical and Cost Proposal evaluation that oral interviews/presentations and/or demonstrations are required. Every bidder may not be given an opportunity to interview/present and/or give demonstrations; the Commission reserves the right, in its discretion, to select only the top scoring bidders to present/give oral interviews. The scores from the oral interviews/presentations and/or demonstrations will be added to the scores from the Technical and Cost Proposals. The presentation process will allow the bidders to demonstrate their proposal offering, explaining and/or clarifying any unusual or significant elements related to their proposals. Bidders' key personnel, identified in their proposal, may be requested to participate in a structured interview to determine their understanding of the requirements of this proposal, their authority and reporting relationships within their firm, and their management style and philosophy. Only representatives of the Commission and the presenting bidder will be permitted to attend the oral interviews/presentations and/or demonstrations. A written copy or summary of the presentation, and demonstrative information (such as briefing charts, et cetera) may be offered by the bidder, but the Commission reserves the right to refuse or not consider the offered materials. Bidders shall not be allowed to alter or amend their proposals.

Once the oral interviews/presentations and/or demonstrations have been completed, the Commission reserves the right to make an award without any further discussion with the bidders regarding the proposals received.

Any cost incidental to the oral interviews/presentations and/or demonstrations shall be borne entirely by the bidder and will not be compensated by the Commission.

S. BEST AND FINAL OFFER

Each bidder should provide its best offer with their original proposal response and should not expect the Commission to request a best and final offer (BAFO).

The Commission reserves the right to conduct more than one BAFO or to not offer every bidder an opportunity to submit a BAFO. The Commission reserves the right to conduct more than one BAFO. If requested by the Commission, the BAFO must be submitted on the BAFO Cost Proposal form and in accordance with the Commission's instructions.

Failure to submit a requested BAFO or failure to submit a BAFO in accordance with the Commission's instructions may result in rejection of the bidder's entire proposal response. BAFOs may be scored and ranked by the Evaluation Committee.

T. REFERENCE AND CREDIT CHECKS

The Commission reserves the right to conduct and consider reference and credit checks. The Commission reserves the right to use third parties to conduct reference and credit checks. By submitting a proposal in response to this RFP, the bidder grants to the State the right to contact or arrange a visit in person with any or all of the bidder's clients. Reference and credit checks may be grounds to reject a proposal, withdraw an intent to award, or rescind the award of a contract.

U. AWARD

The Commission reserves the right to evaluate proposals and award contracts in a manner utilizing criteria selected at the Commission's discretion and in the Commission's best interest. After evaluation of the proposals, or at any point in the RFP process, the Commission may take one or more of the following actions:

1. Amend the RFP,
2. Extend the time of or establish a new proposal opening time,
3. Waive deviations or errors in the Commission's RFP process and in bidder proposals that are not material, do not compromise the RFP process or a bidder's proposal, and do not improve a bidder's competitive position,
4. Accept or reject a portion of or all of a proposal,
5. Accept or reject all proposals,
6. Withdraw the RFP;
7. Elect to rebid the RFP;

The Contractor agrees it will, at its sole cost and expense, defend, indemnify, and hold harmless the indemnified parties from and against any and all claims, to the extent such claims arise out of, result from, or are attributable to, the actual or alleged infringement or misappropriation of any patent, copyright, trade secret, trademark, or confidential information of any third party by the Contractor or its employees, Subcontractors, consultants, representatives, and agents; provided, however, the Commission gives the Contractor prompt notice in writing of the claim. The Contractor may not settle any infringement claim that will affect the Commission’s use of the Licensed Software without the Commission’s prior written consent, which consent may be withheld for any reason.

If a judgment or settlement is obtained or reasonably anticipated against the Commission’s use of any intellectual property for which the Contractor has indemnified the Commission, the Contractor shall, at the Contractor’s sole cost and expense, promptly modify the item or items which were determined to be infringing, acquire a license or licenses on the Commission’s behalf to provide the necessary rights to the Commission to eliminate the infringement, or provide the Commission with a non-infringing substitute that provides the Commission the same functionality. At the Commission’s election, the actual or anticipated judgment may be treated as a breach of warranty by the Contractor, and the State may receive the remedies provided under this RFP.

PERSONNEL

The Contractor shall, at its expense, indemnify and hold harmless the indemnified parties from and against any claim with respect to withholding taxes, worker’s compensation, employee benefits, or any other claim, demand, liability, damage, or loss of any nature relating to any of the personnel, including subcontractor’s and their employees, provided by the Contractor.

Neither Party shall be liable for any costs or damages, or for default resulting from its inability to perform any of its obligations under the contract due to a natural or manmade event outside the control and not the fault of the affected Party ("Force Majeure Event") that was not foreseeable at the time the Contract was executed. The Party so affected shall immediately make a written request for relief to the other Party and shall have the burden of proof to justify the request. The other Party may grant the relief requested; relief may not be unreasonably withheld. Labor disputes with the impacted Party's own employees will not be considered a Force Majeure Event.
