BY THE HEARING OFFICER:

On July 23, 2024, the Nebraska Public Service Commission ("Commission") opened the above-captioned docket, on its own motion, to conduct a workshop to review and discuss proposed changes to Title 291, Chapter 8, Grain Warehouse and Grain Dealer Rules and Regulations. The Commission seeks to modernize and update procedures, correct typographical errors, clarify and reorganize various sections, and conduct an overall cleanup of Chapter 8, Section 001 through Section 005, of its Rules. The Commission also seeks to amend Chapter 8 based on the passage of Nebraska Legislative Bill 262.

On August 5, 2024, the Commission held a workshop inviting interested parties to discuss the changes both required by statute and proposed by the Commission. At the workshop, the Commission presented the entirety of the proposed rules and facilitated discussion between all participants. As the Commission received no written comments prior to the workshop, the Commission now finds any interested party desiring to submit post-workshop comments shall do so by August 27, 2024, by 5:00 p.m. Central Time.

The Commission appreciates the discussion and contributions of all participants in this docket. Based on the discussion at the August 5, 2024, workshop, the Commission finds that no additional workshops will be scheduled at this time. Upon receipt of any post-workshop comments, the Commission will then determine whether to close this docket and proceed with the opening of a formal rulemaking proceeding.
