

Capital Projects Fund Certification of Project Completion

2025 Program Year

As required by order of the Nebraska Public Service Commission in Docket No. CPF-1, providers who submitted a successful application in the 2025 CPF grant cycle must submit a certification that the broadband network described in the application has been completed.

The questions below should be filled out with the most accurate information currently available. When describing locations currently served, each location included in the totals below must be able to be served at a minimum of 100/100 Mbps speed as of the date of this report.
