BY THE HEARING OFFICER:

O P I N I O N A N D F I N D I N G S

By Motion filed March 17, 2026, Glenwood Telecommunications, Inc. (“Glenwood” or “Applicant”) seeks leave to file an amended application to include certain locations that were included in Application No. NUSF-148.08, but should have been included in the above-captioned application as they are locations belonging to the Citizens Telecommunications Company (“Citizens”) incumbent local exchange carrier (“ILEC”) territory. In support of its Motion, Applicant states that the Communications/NUSF Director for the Commission pointed out that locations that were included in Applicant’s NUSF-148.08 application in Lumen’s ILEC territory are in fact locations that are in Citizens’ ILEC territory. He further stated that Applicant could file an Amended Application in NUSF-148.09 correcting this error. Applicant has filed an Amended Application with the present Motion and has updated its previously filed shapefile to include locations in Citizens’ ILEC territory that Applicant inadvertently included in Application No. NUSF-148.08.

Based on the statements made by Applicant in its Motion and the record in this matter, I am of the opinion and find that Applicant’s Motion should be granted.

O R D E R

IT IS THEREFORE ORDERED by the Hearing Officer that the Motion for Leave to File the Amended Application in the above-captioned matter be, and is hereby, granted.
