

9A-3-586-00 - LD 40 Greckel Attack Response (2)

Hi, this is Shane Greckel from Bloomfield. Remember when Ronald Reagan famously said there you go again when Jimmy Carter lied about his record? Well, now I have to say “there they go again” about the liberal lies and attacks on me. You have to ask yourself, why is the liberal teachers union – not teachers but the liberal union from Lincoln - attacking me? Who do they want? They must really want somebody else to make sure they continue to get their huge government bailout. We all know better than to believe their lies. I am a fifth-generation farmer with deep roots here. I am conservative and will work to cut property taxes and prioritize our rural needs. On Tuesday, reject the liberal lies by voting for Conservative Shane Greckel. Paid for by Greckel for Legislature 402-360-0943
