Hi, this is Senator Tony Vargas. I'm calling today because four years ago you were generous enough to show your support for my campaign by placing a yard sign in front of your home. I'm up for re-election this year and I'd love to have your support again. Would you be interested in have a yard sign again this year? If YES, press 1, if NO, press 2, and if you have another question about my campaign or about voting in the upcoming primary on May 12, especially vote by mail, press 3.

IF YES: Thank you so much for showing your support for my re-election campaign again this year. Myself or another volunteer with my campaign will come by and place your yard sign soon. Don't forget, the primary election date is Tuesday, May 12th. The safest way to vote in these uncertain times is by mail. You can vote from home by requesting a ballot and sending it in by the election date. For more information about that, visit votedouglascounty.com. To follow along with my campaign, visit vargasfornebraska.com. Thanks again for your support!

IF NO: Ok, no problem. I hope to still have your support in the upcoming election, on Tuesday, May 12th. The safest way to vote in these uncertain times is by mail. You can vote from home by requesting a ballot and sending it in by the election date. For more information about that, visit votedouglascounty.com. Thanks for your time!

IF OTHER: Thanks for letting me know you need more information about my campaign or voting. I'll get a record of your response and either myself or someone else from my campaign will give you a call soon to try to help. Thanks for your time!
