

**Other supporting documentation (if applicable), such as supplemental speed test data, letters of support from members of the community, supplemental financial information such as the most recent year's federal tax return, etc.**

One of ALLO's four values is to be "Local". To support this core value, community engagement is an important component of the ALLO fiber buildout process.

ALLO sent a community outreach email to Kearney City Manager Brenda Jensen on July 1 requesting support for the project.

A copy of the outreach email and resulting letter of support are attached as **Attachment M-1**.
