Ms. Jensen,

ALLO Communications intends to apply to the Nebraska Public Service Commission for a [Nebraska Broadband Bridge Program](#) grant to provide broadband internet service to Northwest Kearney.

ALLO will provide broadband service to the area through an all Fiber-to-the-Premise network, including ubiquitous 1+ Gbps service with symmetrical speeds (delivering the same download and upload speeds).

We would welcome community feedback and a letter of support for the project. I have attached sample letters from other community leaders from previous grant cycles.

If you would be interested in doing so, please respond to this email by **COB Friday, July 5**.

If you have any questions regarding the proposed project, please feel free to contact me or Regional General Manager Dave Miller.

If you have any questions regarding the Nebraska Broadband Bridge grant program, please email [psc.broadband@nebraska.gov](mailto:psc.broadband@nebraska.gov).

Sincerely,

**Jody Hoops**
