

Other supporting documentation (if applicable), such as supplemental speed test data, letters of support from members of the community, supplemental financial information such as the most recent year's federal tax return, etc.

ALLO sent a community outreach email to North Platte Mayor Brandon Kelliher requesting support for the project.

A copy of the outreach email and resulting letter of support are attached as **Attachment M-1**.

With ALLO's existing presence in the City of North Platte, ALLO personnel will be available during the early stages of the project.
