

Other supporting documentation (if applicable), such as supplemental speed test data, letters of support from members of the community, supplemental financial information such as the most recent year's federal tax return, etc.

One of ALLO's four values is to be "Local". To support this core value, community engagement is an important component of the ALLO fiber buildout process.

ALLO sent a community outreach emails to Gering Mayor Kent Ewing and City Administrator Pat Heath requesting support for the project.

Copies of the outreach emails are attached as **Attachment M-1**.
