RE: Black Hills Nebraska Gas, LLC d/b/a Black Hills Energy
Informational Filing - Tariff Update to Sheet No. 78

Dear Mr. Golden:

Black Hills Nebraska Gas, LLC d/b/a Black Hills Energy (“Black Hills Energy”) herewith submits revisions to Tariff Sheet No. 78. The tariff revisions in this filing are informational in nature to synchronize two filings with rate changes effective January 1, 2025.

The first filing is Black Hills Energy’s System Safety and Integrity Rider (“SSIR”), which was filed on August 1, 2024 and recently approved by the Commission’s December 17, 2024 Order in Application No. NG-112.4. The second filing is Black Hills Energy’s High Efficiency Assistance Tool (“HEAT”) annual filing, which was filed on October 25, 2024. Both filings had revisions to Sheet No. 78, however, each filing *only* included those revisions associated with the individual filing. This informational filing submits Sheet No. 78 reflecting the revised rates from both the SSIR and HEAT filings effective January 1, 2025.

Please contact me at (402) 221-2251 if you have questions or need additional information.

Respectfully,

/s/Margaret McGill
