To Ethos Connected LLC,

Borg Family Farms does hereby allow Ethos Connected, LLC permission to install and maintain an internet connection via a fixed wireless solution on our premises following the Nebraska Pro Ag Act guidelines. We understand that Ethos connected will have installation and testing crews working onsite if the grant application is approved.

Borg Family Farms will not be held financially responsible for any issues that may prevent Ethos Connected, LLC from completing their activities concerning the Nebraska Pro-Ag Grant.

Thank you very much and we look forward to working with you.

Sincerely,  
Deborah J. Borg  
Borg Family Farms
