Subject: Great Plains Communications CPF Application for the Village of Emmet

Hi Cathy,

Per my voicemail from earlier today, attached is the map of our proposed CPF project and other information pertaining to the Capital Projects Fund application that we are going to submit to the Public Service Commission this week for the village of Emmet.

Shelby, I spoke with Cathy today and she gave me your name and email and said that you might be interested in the project for economic development reasons.

Please let me know if you have any questions.
