2026 Choice Gas Workshop

JUNE 30, 2026

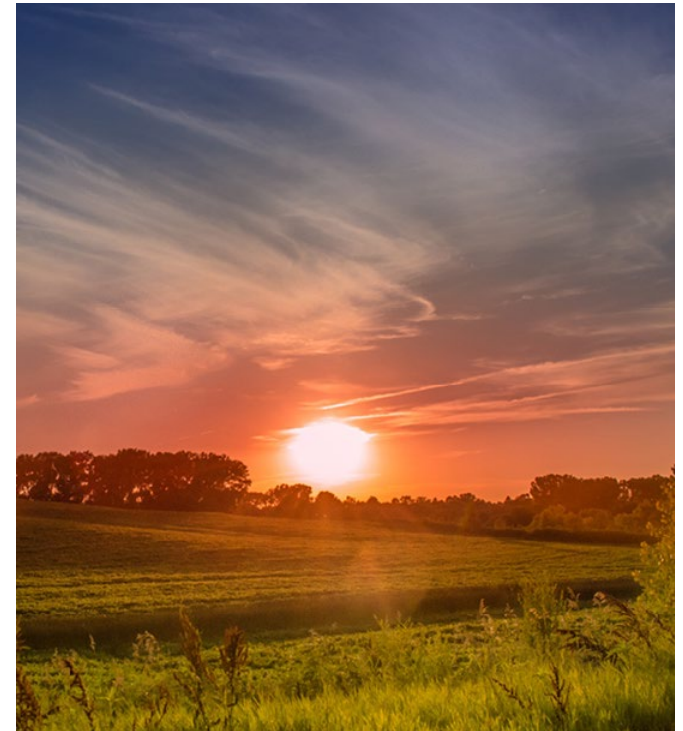

2026 Annual Report Overview

- **Overview of Nebraska Choice Program**
- **Annual Reports**
 - Administrator Report
 - Supplier Reports

Nebraska Choice Program

- Eligible Customers
 - All customers residing in Rate area 5
- 2026 Choice Program Dates
 - April 2, 2026 – April 22, 2026 (Selection Period)
- What if a customer doesn't make a selection?
 - Non-selecting customers will roll-over to their previous year's supplier and be given a "default rate" determined by the supplier within 15 days after the selection period ends.

Nebraska Choice Program (continued)

- Suppliers (8)
 - ACE (Public Alliance for Community Energy)
 - Black Hills Energy Services (“BHES”)*
 - Constellation Energy
 - Symmetry Energy
 - Uncle Franks Energy Services
 - Vista Energy Marketing
 - Wood River Energy
 - Legacy Natural Gas

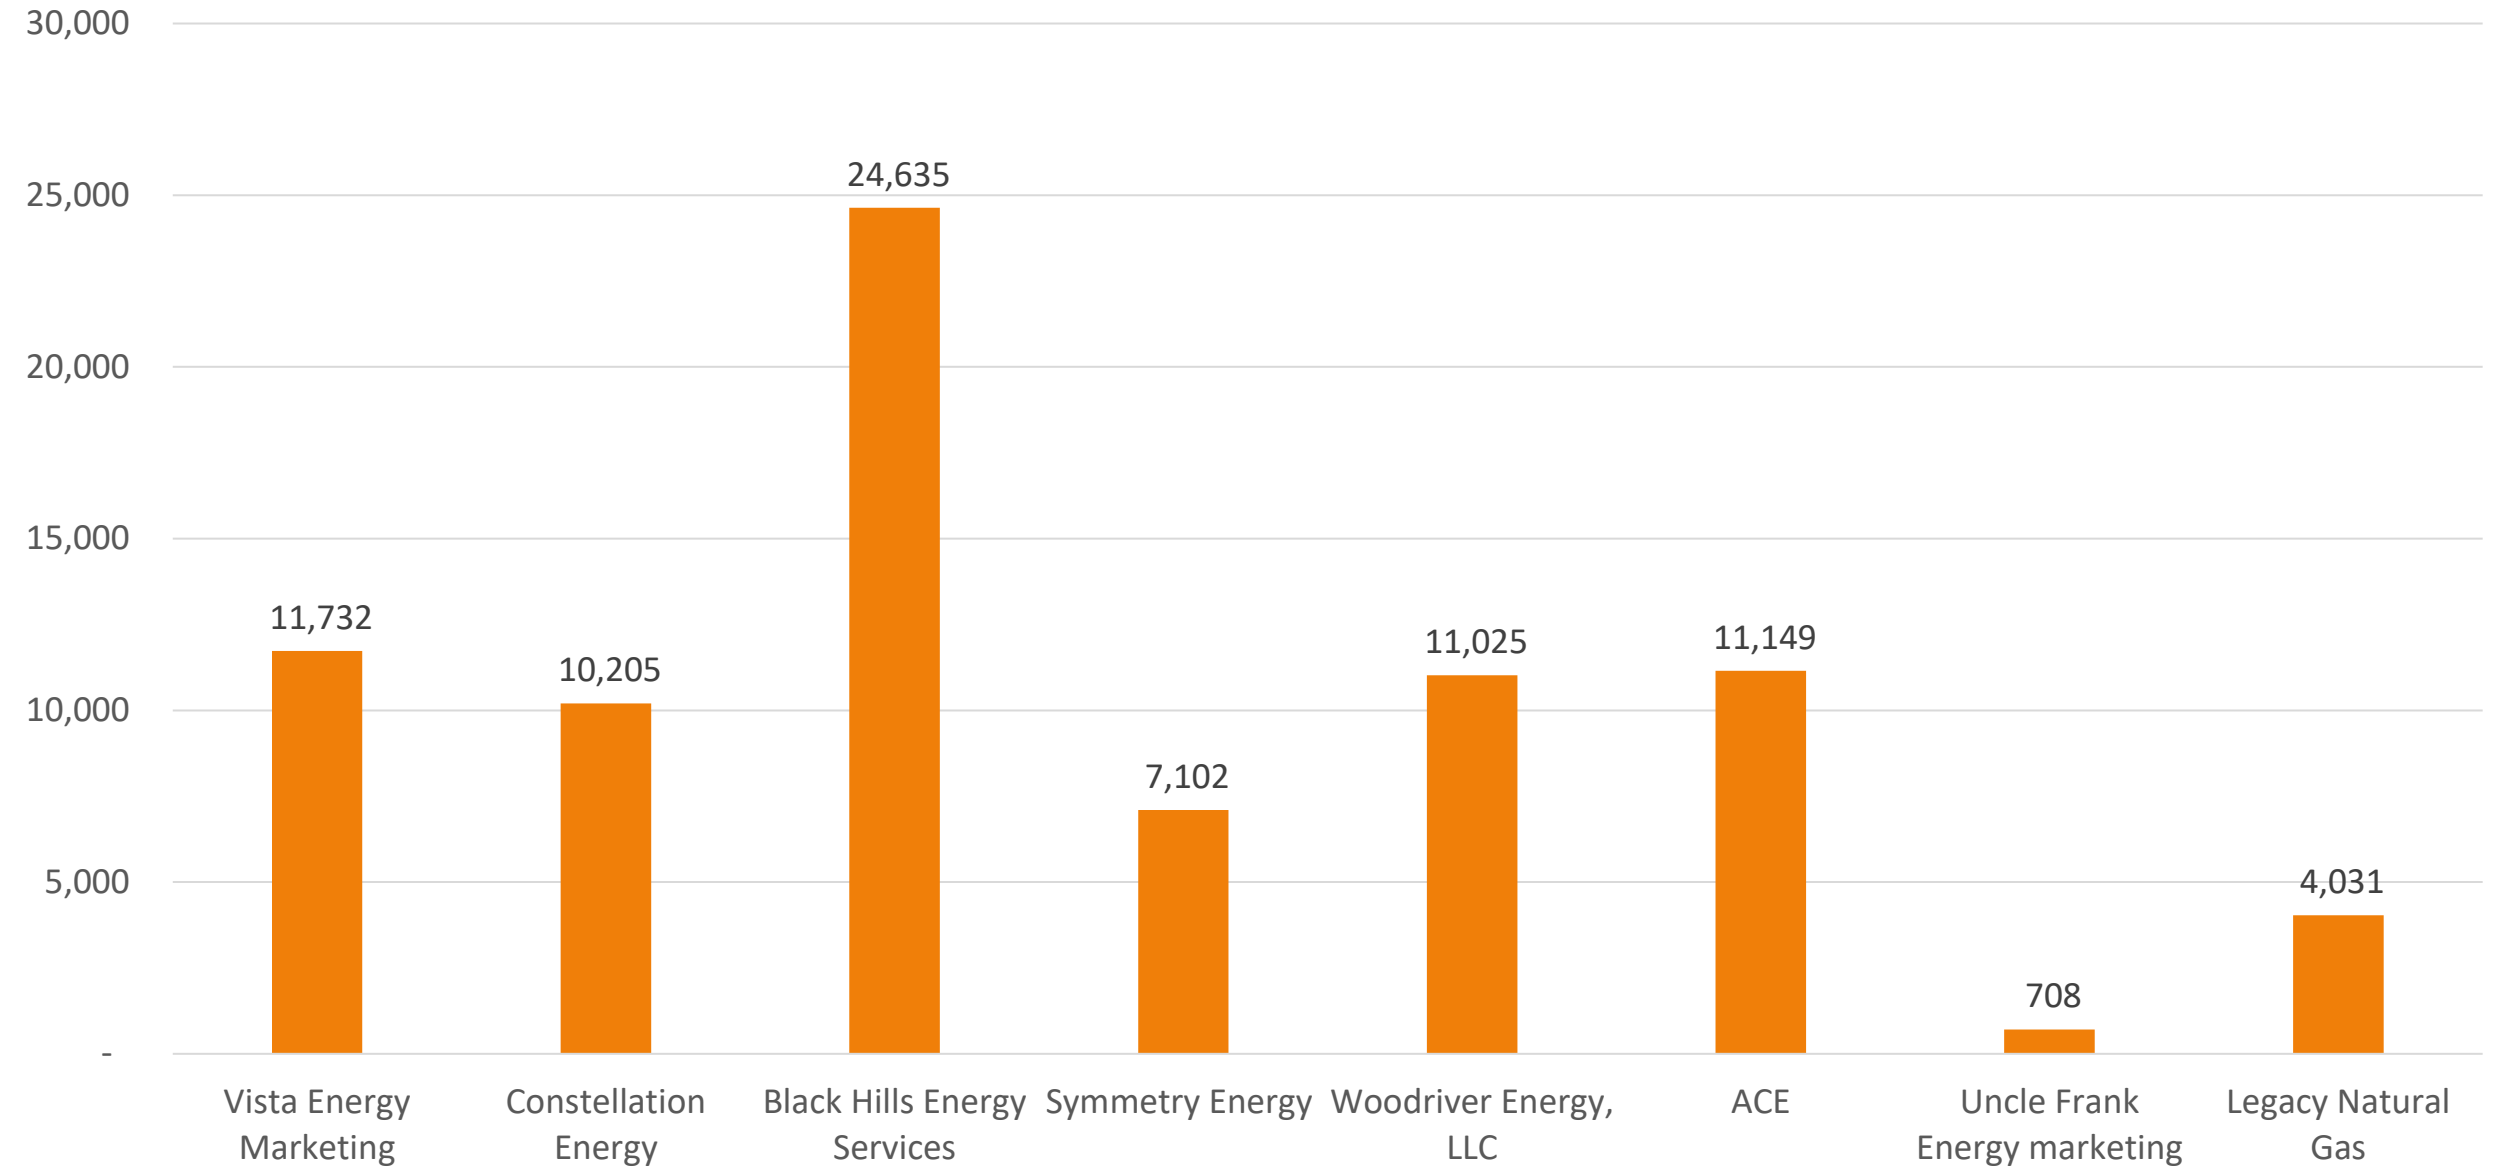

- Black Hills Energy (Administrator): BHE does not sell natural gas as a supplier in Rate Area 5

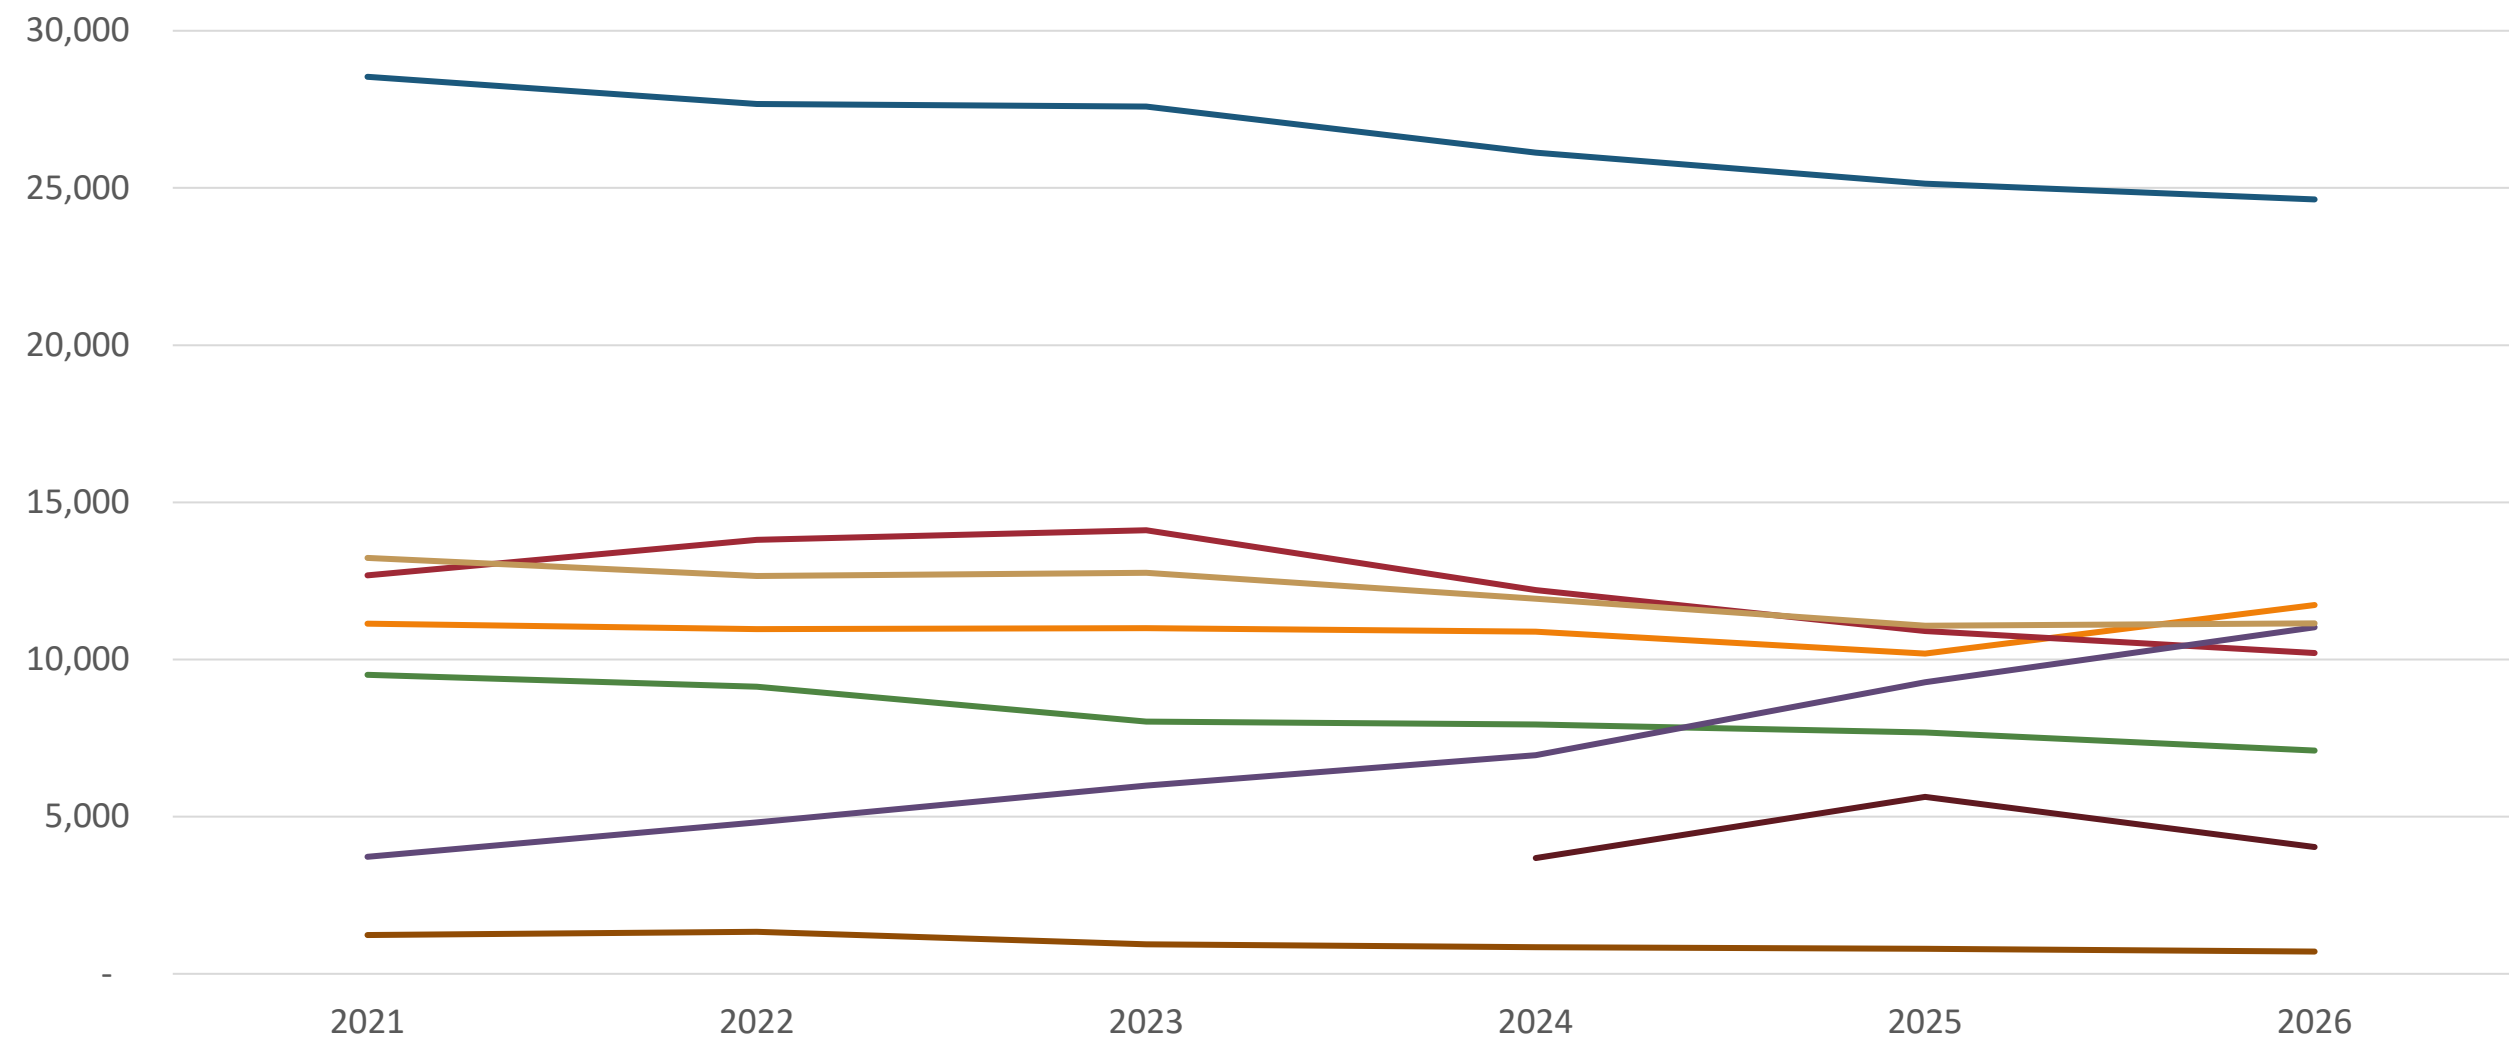

*Note: BHES is a licensed Competitive Natural Gas Provider (“CNGP”) which offers competitive supply services and is legally separate and distinct from Black Hills Energy, the regulated Choice Program administrator.
