Re: Nebraska Competitive Natural Gas Provider Application, Neb. Rev. Stat. § 66-1849(1).

Enclosed is one (1) original and eight (8) copies of the Competitive Natural Gas Provider Application for MidAmerican Energy Services, LLC. I have also enclosed the requisite \$200 application fee for this submittal.

MidAmerican Energy Company's unregulated retail services initially entered competitive retail energy markets in 1999 as a division within MidAmerican Energy Company, whose primary business is to provide regulated electric and gas utility service. Due to the evolution of the unregulated business plan and market expansion since that time, corporate leadership has determined this division will be transferred to a non-regulated affiliate within Berkshire Hathaway Energy. This new company is MidAmerican Energy Services, LLC.

MidAmerican Energy Services, LLC, is seeking to qualify for unsecured credit as a stand-alone entity. The break-out of the unregulated division's balance sheets, income statements, and cash flow statements for 2012, 2013 and 2014 are included with this application. MidAmerican Energy Company's consolidated 10K reports can be found at <http://www.berkshirehathawayenergyco.com/investors/financial-filings> for further information. Guarantor financials for Berkshire Hathaway Energy, if needed, can also be found at this location.

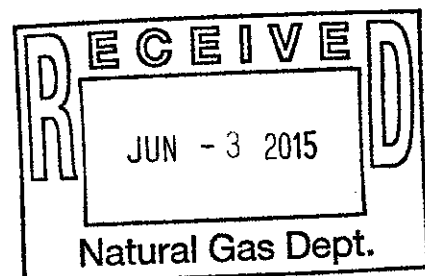

Please note our Exhibit J: Financial Capability is to be treated as confidential. Our filing is accompanied by Motion for Protective Order for confidential treatment for this Exhibit J and a public version is provided as well.

If any additional information is needed, please contact me at (515) 242-3488 or cbaird-forristall@midamerican.com.
