WHAT THE PROGRAM DOES

Provides financial assistance to help Nebraskans with hearing, vision-and-hearing, or speech disabilities obtain specialized telecommunications equipment

WHAT YOU CAN GET

- Amplified or captioned phones
- TTYs
- Alerting/Signaling devices
- Wireless devices (with participating providers)
- Other approved telecom equipment

ELIGIBILITY

- You may qualify if:
- You have a certified disability affecting telephone use
- You are 3+ years old
- You live in Nebraska
- You have or have applied for phone service
- You haven't received program equipment in the last 3 years

WHO CAN APPLY (*A qualified professional must certify the disability)

- Deaf
- Hard of Hearing
- Deaf-Blind
- Blind/Low Vision with Hearing Loss
- Speech Disabled

HOW THE PROGRAM WORKS

- Get application online, complete and submit to PSC
- Receive a voucher
- Select equipment from approved vendors
- Optional setup and training available

EQUIPMENT OWNERSHIP

You own the equipment once purchased
