Thank you for the opportunity to earn your business. We strive to live up to our Motto "Developing Solutions, Delivering Success"
 "Due to ongoing global supply and labor issues affecting John Deere, the manufacturer build date could impact pricing on the New John Deere equipment on this Purchase Order. 21st Century Equipment will contact the customer within 5 days of receiving a confirmed build slot, IF that build date creates a change in pricing. At that point, the customer will be given an opportunity to confirm the order or cancel the order without penalty.
