

Attachment H. Other supporting documentation (if applicable):

A list of our equipment we have currently on My John Deere Operations center is screenshot and downloaded off of the site. The biggest issue seen in image 2 is we only have four pieces of equipment the site because other tractors/combines do not have the correct monitors to be displayed and receive data through the operation center

Name	Serial Number	Year	Model	Type	Make	Pending Transfer	Organization ID	Organization Name	Organization City	Organization State	Connectivity Type	Connectivity Status	Last Seen	Pairings
Sandberg 8130 011909	RW8130P011909	2007	8130	Two-wheel Drive Tractors - 140 Hp And Above	JOHN DEERE	No	569588	Marc Sandberg	Hay Springs	NE	JDLink Connectivity	Activated	08-May-22	1
