

Attachment D – Cybersecurity

Vistabeam has implemented operational cybersecurity and supply chain risk management plans that reflect the latest version of the NIST Framework for Improving Critical Infrastructure Cybersecurity and Executive Order 14028. These plans are provided in Attachment H_6.

Vistabeam hereby certifies that it is compliant with all requirements in Neb. Rev. Stat. § 86-125(4)(c) and 47 U.S.C. § 1601. Vistabeam does not use equipment prohibited by the FCC anywhere in its network, and that applicant further agrees not to use any funding awarded pursuant to the Precision Agriculture Infrastructure Grant Program to purchase equipment or services developed by organizations on the FCC's Covered List (<https://www.fcc.gov/supplychain/coveredlist>).
