

# C-5600 Precision Agriculture Infrastructure Grant (PRO-AG) Connectivity Subprogram Project Budget Instructions

## Overview:

This sample project budget on the following page reflects an example of a budget submitted under the Connectivity Subprogram of the Precision Agriculture Infrastructure Grant (PRO-AG). An example template can be found on the final page.

Please note that budgets submitted must detail all allowable project-related costs and contributions. All costs must adhere to the guidelines outlined in the [PRO-AG Allowed and Disallowed Costs](#) document.

Only allowable expenses related to precision agriculture connectivity should be included. Recurring expenses, such as ongoing internet service fees, are not eligible for funding. In-kind contributions are not allowed. Costs incurred prior to the grant award or after the date of completion are not allowable. Contributions from the applicant or partners should be clearly identified in the Contribution Summary portion of the budget.

## Key Instructions:

1. **Project Budget Summary:** Provides the total cost for each project category, not including any contributions.
2. **Detailed Budget Breakdown:** Details the costs per unit, quantity, and total cost for each item.
3. **Contribution Summary:** Shows total project costs, less any applicant or partner contributions, and calculates the PRO-AG grant request amount.
4. **Certification:** The applicant must certify that the budget accurately reflects the project costs and contributions.

Include documentation to support any budgeted expenses where necessary and provide supporting documentation of any contributions.
